Award by humanitects Honors Chamber

A community service award has been established by humanitects, Inc. to help local nonprofits utilize advancements in Web technologies. Dubbed "Extreme Makeover - Website Edition," the program will award a CT-based nonprofit with up to \$5,000 in software and consulting services.

James L. Rude, humanitect's president said, "The Chamber is an extraordinary nonprofit that helped us grow our business every step of the way. We felt it was truly fitting to dedicate this award to the Chamber and highlight their remarkable contributions to the community over the past 50 years."

A Golden Year in Review

It's hard to believe that our 50th year is drawing to a close. This has been a memorable year for the Chamber and we'd like to take this opportunity to thank our members for their enthusiasm and support in marking this momentous occasion.

The kick-off for the year's events took place on May 7th at Racebrook Country Club in Orange. The 50th Anniversary Celebration Gala was a black-tie dinner-dance attended by two hundred chamber members and friends.

In February, a Chamber-sponsored essay contest challenged students in Grades 3 - 12 to describe their vision of Milford in the year 2054. Their enthusiastic responses were collected over the following months and eventually 3 winners were selected from the 130 essays submitted for consideration.

The Milford Oyster Festival marked an important anniversary in 2004 as well. To celebrate their 30th year, they combined efforts with the Chamber to create a lasting legacy - a scholarship fund. A "Mayor for the Day" Election, raised nearly \$5,000 and the winner took office on August 21 at the Milford Oyster Festival.

The Chamber assembled a time capsule to preserve this special moment in our history. Many of the local non-profit organizations provided artifacts that included newsletters, flags, and photos. Mayor James L. Richetelli, State Senator Winthrop Smith and State Representative Jim Amann each penned letters that were added as well. Finally, all 130 essay contest entries were sealed in the capsule in the hopes that the authors would enjoy hearing them read in 2054. The capsule was buried on the site of the Chamber at a ceremony held during the Oyster Festival.

As the year waned, our enthusiasm did not. A 50's Sock Hop was held on October 9th at the Milford Yacht Club. Members and friends feasted at a buffet featuring ribs, chicken, burgers and hot dogs - not to mention an ice cream bar. The past 50 years were celebrated in music and dancing.

The United States Coast Guard cadet jazz band, NiteCaps performed in concert on October 29th in the Parsons Complex Auditorium. With selections ranging from swing to contemporary big bands, the NiteCaps closed out our golden year on a high note.
